April 7, 2006

Dear Cavalier Cub Member,

The time has come to renew your Cavalier Club Membership! The 2006/2007 season regular membership remains at the low amount of \$50.00. **We will again continue the "100 Club" this year which entitles you to top billings in our football and basketball programs for membership dues of \$100.** The Athletic Booster Club needs and appreciates your continued support in promoting the Coldwater athletic teams and facilities as the best in the state! From your support this past year, some of the items the club has been able to provide include:

- Purchase of new trees to replace ice damaged property at the west end of the stadium.
- Concrete pads for new bleachers at the stadium.
- Funding and completion of the new football press box.
- Rebounding machine for the basketball program
- Funding of new State Championship signs at the entry of town.
- Purchase of new football field, end zone, seating for football games and track meets.

The committee this year will begin the updating and renovation of the football stadium entrance. Work is scheduled to begin this summer. If you are interested in assisting with this project please contact a Board member.

Besides having your name included in the Fall and Winter sports programs, being a Cavalier Club member automatically enters you into the exclusive Cav Club drawing at all home football and boy's basketball games, and admission to the various Cav Club Cookout activities during the year.

Please return your \$50.00 or \$100.00 membership dues by **July 1, 2006** ** (please make your check payable to "Coldwater Athletic Boosters") to:
